

4/16/06 Happy Easter,

This is a joyous day in the Lord. Today there were 80 (our usual attendance is 30 - 40) people at Brown Memorial UMC for Easter Service. It was a wonderful day we did not have enough bulletins, hymn books, or chairs. There were native Americans, Hispanics, Blacks, Whites, and children 39 children to be exact!!!

Special Thanks to the Clay Trinity UMC and the State Street Fulton UMC for helping us to leaflet the neighborhood. The Bag Sale was a big success on Saturday and one person came to the door this morning with the invitation for Church, said he just could not stay away.

I was able to invite all of those kids to come back for Sunday School next week, and I even invited them to camp. We have seen the results of our work here in the city little by little, but today the harvest was large. Thanks be to God!!! Please keep in your prayers the work that we are doing here and pray for Gods will to be carried out in this neighborhood!
