

Service Ministry Area works across the Conference

Through the Service Ministry Area of the North Central New York Conference, our congregations promote the effective administration of our annual conference.

- The members of the **Archives and History** team collect and preserve records of the conference, its churches and agencies. The records and historic items are kept in the conference office in Cicero.

- The **Board of Pensions** oversees the support, relief, assistance and pensioning of clergy, their families, other church workers and lay employees within the annual conference.

- Members of the **Conference Sessions** team plan the annual meeting of our conference held each year in late May and early June, as well as any special sessions.

- The **Finance Team** develops, maintains and administers a comprehensive and coordinated plan of fiscal and administrative policies, procedures and management services for the conference.

- The **Joint Committee on Incapacity** studies the problem of incapacity in the annual conference, providing for a continuing personal ministry to any disabled clergy.

- The **Mission Interpretation and Communications** team acts as a service agency to meet the communication, publication, multimedia, public and media relations, interpretation, and promotional needs of the conference. It is this team that oversees the publication of *Connections*, our monthly newspaper, NCNYUMC.org, the conference Website, and our E-news, sent three times weekly by e-mail to anyone wishing to be on the mailing list.

- The **Personnel** team reviews personnel policies and procedures, and deals with matters related to the employment of conference and camping staff.

The **NCNY Trustees** oversee matters related to conference property, investments and insurances.

Through Shared Ministry, each congregation is a part of these and many other efforts. When your church sends in its shared giving dollars you are helping to fund these vital service ministries. You can take pride in being part of our efforts to provide quality service ministries and to make disciples of Jesus Christ.
